

AYSO REGION 120

Your team needs two referees !

Thank you for volunteering your time and effort to AYSO Region 120 as a referee. It is our job to make sure that the games are safe, fair, and fun. Most healthy adults should be able to manage the moderate amounts of running in a typical game. We also have training classes that will provide you with all the materials and instructions to make you a good referee.

Please be sure to be on time for your first referee class. There are a couple of forms to fill out so bring a pen and notebook for important details. You only need to attend one set of training sessions. However, if you attend the earlier sessions you will have more time to study the laws and can attend a later session if you feel a need to review material. The most important thing to remember is to have fun!

Referee Training

September 28 Sunday 9am - 4pm California Elementary

Each session includes activities on the soccer field. Please wear appropriate clothing. If you have any questions please contact Anne McEligot at 714-478-8051 e-mail mceligot@pacbell.net or Mike Nolan at 714-549-3340 e-mail mikenln@earthlink.net
